

# Initiating New Beginnings

October 28 & 29, 2017

Saturday: Teachings, Sweat Lodge, Pot-luck

Sunday: Sunrise Chant and Sacrifice Giveaway Ceremonies

## Rev. Sally Perry (Swami

**Satchidanand)** will be sharing the knowledge and techniques that she was honored, blessed with, and taught to her by Beautiful Painted Arrow (Joseph Rael) and the Havasupai tribe at the bottom of the Grand Canyon.

Through these teachings and sweat lodge together we will be **breaking through barriers** and **moving ahead**. We will prepare five prayer ties for each of the four directions. These prayer ties will all be red to integrate the four directions, which are the four races of humankind and represent the Red Road. This will integrate all teachings, colors, and four directions of the Medicine Wheel.

This special experiential workshop and offerings will occur at Naa-Meh-Neh, Rice, Virginia. On Sunday, the spiritual caretakers of the land, Joan Kruzicki and Angela Whittaker, will offer a Sunrise ceremony in the tradition of Beautiful Painted Arrow.
